

# Summer Symposium 2017

11:00 – 11:15

**Welcome**

11:15 – 12:00

**Prof. Tina Romeis** – FU Berlin  
“CDPKs as Calcium Decoders in Plant Abiotic and Biotic Stress Signaling”

12:00 – 13:00

**Lunch Break**

13:00 – 13:45

**Prof. Jane Parker** – MPI Cologne  
“Plant intracellular immunity and resistance/fitness outcomes”

13:45 – 14:30

**Prof. Katrin Philippar** - Saarland University  
“Molecular decoding of plastid fatty acid Export”

14:30 – 15:15

**Coffee Break**

15:15 – 16:00

**Prof. Ralf Reski** - University of Freiburg  
“Cuticle, sporophyte, stomata: three plant innovations that changed our planet“

16:00 – 17:00

**Lab visit of guest speakers and project discussion**

17:00 – open end

**“Meet-the-Speaker Barbecue”  
and get together**

## Thursday 27 July 2017

Julius-von-Sachs-Institut, University of Würzburg  
Julius-von-Sachs-Platz 2  
97082 - Würzburg
